2. Electronics warranty excludes batteries.

Enjoy quick and wireless disassembly!

Pick up the seat

Pull out the battery pack

Remove the baskets from under the seat and from the tiller (not shown)

To separate the rear transaxle from the frame, squeeze the release lever located on the underside of the frame

While squeezing the release lever, pull up on the rear frame

Disassembles into six pieces for transport and storage! No wires to connect or disconnect!

LED ultra bright adjustable headlight
