

The Signature Series

# Out & About Powerchair

# \$2299

The Out & About Powerchair is designed for people who want the freedom to stay active without sacrificing comfort or convenience.

Lightweight, easy to fold, and simple to operate, it provides reliable mobility whether you're moving around your home, visiting friends, shopping, or enjoying the outdoors.

### Lightweight Freedom For Everyday Living

- Lightweight, durable aluminum frame
- Comfortable air-filled tyres for indoor and outdoor use
- One-button switch between manual and powered driving modes
- Electronic braking system for added safety and confidence
- Folding backrest for easy transportation and storage
- Reversible armrests and footrests for easier transfers
- Dual quick-release 24V lithium batteries (10.4Ah x2)
- Travel up to 20 km on a full charge
- Maximum speed of 6 km/h
