

VivaLIFT!®

POWER RECLINER COLLECTION¹

THE MOST COMFORTABLE RECLINER IN THE WORLD!

THE 4-MOTOR RECLINER

Shown in Canyon Walnut Fabric

New! Ergonomically designed toggle remote with two programmable memory positions

Three different heat pads located in shoulders, lumbar and seat

RADIANCE¹

Whether you cozy up with a beverage and your favorite book or kick back for a relaxing evening of television, this power recliner is right for you! Experience the warmth of the **Radiance Collection** from VivaLift!® Power Recliners. With three different heating pads in the shoulders, lumbar and seat, you can adjust your heat level accordingly and soothe your tired muscles. Keep your smart phone close at hand while you charge it with the wireless charging station. And if the power goes out, know you have peace of mind with the lithium battery backup.

STANDARD FEATURES

-  The power headrest lifts your head, neck and shoulders for maximum support.
-  The upward lift offers convenient stand assist for getting in and out of the recliner.
-  The power lumbar enables you to personalize your comfort.
-  The footrest extension allows you to relax and stretch out completely.
-  The backrest moves up and down independently to help you find the perfect position.
-  Infinite positioning enables the backrest and footrest to move independently so that a variety of positions can be reached including raising your feet above your heart.
-  The ergonomically designed Toggle Remote has two programmable memory position buttons, performs the up/down, recline functions, and has a convenient USB charger port that allows you to charge your smart device.
-  Lithium battery backup ensures your recliner is operational when the power goes out.

ADDITIONAL FEATURES

- Three heating pads located in the shoulder, lumbar and seat allow you to adjust your heat levels for your comfort
- Hideaway wireless charging³ station conveniently charges your phone
- Hideaway cup holder keeps your beverage close at hand

- VivaLift![®] Power Recliners are FDA Class II Medical Devices designed to aid individuals with mobility impairments.
- User height ranges should be used as a guide only due to varying factors of each individual user.
- The wireless charger is only compatible with smartphones which have wireless charging capabilities. Additionally, no other smart devices, (i.e., smartwatches) should be used with the wireless charger. The charging pad may not be suitable for all phone types. If the charging pad is not maintaining a suitable charge level for your device, the standard phone charger should be used.
